Recognition/Accreditation

All Bela Beauty College courses come with a Certificate of Completion and transcript of the units you have completed. These documents are valuable assets that you can proudly showcase to your clients in either your home-based or commercial salon, or during job interviews to demonstrate your skills and qualifications. Beauty Services in Australia can fall under one of two categories; 'regulated' or 'non regulated' services. This means certain services necessitate a Government Accredited qualification, while others can be pursued with a Privately Accredited qualification. Bela Beauty College distinguishes itself as a leading provider of Private Training online courses in the beauty industry. Our courses focus on non-regulated services, and our comprehensive video tutorials, tutor support systems, and high-quality course content set industry standards. Christiana Contsellis

"Since completing the course I have opened my own salon... I'm only 18 and I didn't think after finishing the course I could work for myself so quickly".

Orienne Woods

"I'm setting up my new business from home... I can study online at my own pace... allowing me to create a good work life balance".

Lash extensions and the lash lift course are quite difficult to pick up and learn but the Bela team made it super easy by providing lots of feedback and support. Through the courses I have been able to open my own salon. Additionally, they offer continuous support, ensuring you stay updated with the latest industry trends and advanced techniques by experienced lash artists of Bela Beauty.

Everyone at Bela I have spoken to has made it easy for me to complete what I have needed and support me in growing my business.

I plan to continue to grow my little business and eventually add more services on when I have more time and the kiddies are older.

Learning with Bela Beauty College was an exceptional experience for me. The online course was structured in a way that made it easy for me to follow along. I was able to go back and rewatch or read the content that I found challenging, and the amazing starter kit that I received allowed me to practice and apply my new skills straight away. The college also provided me with the opportunity to contact tutors at any time via email or phone. This level of support helped me to feel confident and motivated throughout the course.

Vlach Beauty

My experience with Bela Beauty was amazing. Their courses are extremely in-depth and give you everything you need, from lash history, lash health, lash application techniques, and even setting up your business and marketing your services. They made sure we covered absolutely everything. I was nervous about studying, but the Bela Beauty tutors reassured me and with their assistance, I was able to open Delulu Beauty 3 months later which I never thought would be possible.
