All Bela Beauty College courses come with a Certificate of Completion and transcript of the units you have completed. These documents are valuable assets that you can proudly showcase to your clients in either your home-based or commercial salon, or during job interviews to demonstrate your skills and qualifications. Beauty Services in Australia can fall under one of two categories; 'regulated' or 'non regulated' services. My experience with Bela Beauty was amazing. Their courses are extremely indepth and give you everything you need, from lash history, lash health, lash application techniques, and even setting up your business and marketing your services. They made sure we covered absolutely everything. I was nervous about studying, but the Bela Beauty tutors reassured me and with their assistance, I was able to open Delulu Beauty 3 months later which I never thought would be possible.
