Hi I'm Jessica!

Ciao, Bela! I'm Jess, and over the past fifteen years, I've had the amazing experience of turning my love for beauty into a thriving business that has inspired and impacted women around the globe. My journey began at 18, working from my spare bedroom with nothing but a dream and determination to make my mark in the beauty industry.

Through hard work and relentless dedication, I've transformed that small start into a multi seven-figure business, opened multiple thriving salons, created my own product line, and a growing in-person and online academy.

So far, I've had the privilege of mentoring over 20,000 students worldwide, helping them create their own success in the beauty world. It's been an incredibly rewarding experience to witness so many talented people build their own careers and thrive, and also, I simply love helping people!

Now, I'm focused on sharing my knowledge and experience with others in the beauty industry. My mission is to help you unlock your full potential, provide the guidance you need, and support you in building the business you've always dreamed of.

I'm thrilled to have you here, and I can't wait to see what we'll accomplish together!

Ready to start?

MY JOURNEY TO SUCCESS

It wasn't always easy...

At 18, I entered the beauty world with no clear direction and no idea what I was doing. Starting from scratch, I made plenty of mistakes and faced setbacks, learning through trial and error.

Every challenge taught me invaluable lessons, sharpening my skills and fueling my passion. Those experiences shaped me into the educator I am today.

Now, as one of Australia's leading educators, I'm here to help you skip the guesswork, avoid the pitfalls, and fast-track your journey to success.

WHERE BELA BEAUTY STARTED

I initially started my business in a spare bedroom at my parents house! Then I upgraded to the garage (after doing a full fit out as you can see in the image) so I could start training courses and hiring staff.

Very humble beginnings - we all start at square one

WHERE BELA BEAUTY IS TODAY

Bela Beauty College has grown into so much more than a business. With an amazing team of tutors, and over 20,000 students trained worldwide, it's a brand built on passion and hard work. But getting here wasn't easy.

We've faced challenges that tested us, made mistakes, and experienced setbacks that could have made us quit. Instead, we learned from every experience, figured out what works, and found the right way to build a successful business from the ground up.

Now, we're here to share that knowledge with others. It's not just about teaching nail artistry—it's about helping future business owners achieve their dreams by passing on everything we've learned along the way.

Our journey proves that with determination, passion, and the right tools, success is within your reach.

My Qualifications

With over 15 years of experience in the ever-evolving beauty industry, I bring a wealth of knowledge and expertise to every training session. Here's a little about my journey:

✨ Built for Success: I've successfully owned and operated three thriving salons and now run a 7-figure beauty college that has trained over 20,000 students worldwide.

My passion lies in empowering new artists to step into the beauty world with confidence. I understand that enrolling in a beauty course can feel overwhelming—trust me, I've been there! That's why I create a welcoming, supportive environment where learning is not only effective but also fun.

As a trainer, I pride myself on being approachable, caring, and focused on teaching every student at their own pace. Whether you're a complete beginner or refining your skills, my goal is to make you feel supported every step of the way.

Let's turn your dreams into a reality and help you create a future you're proud of!

After years of hard work, challenges, and lessons learned, I've gained the expertise to make starting a beauty business simpler and more rewarding. Now, my passion lies in helping women like you launch and grow their own beauty businesses—without the struggles I faced along the way.

I've created a complete success blueprint to guide you through every step of the process. From mastering your craft to building a thriving business, I'll give you the tools, knowledge, and confidence to achieve your goals with ease.

My mission is simple: to empower you to create the brow business you've always envisioned and to ensure your journey is as smooth and fulfilling as possible. Let's make those dreams a reality together!

COMMON DOUBTS ABOUT *Starting a Business*

I LACK THE CONFIDENCE

We've all been there! With over 15 years in the industry, I've experienced courses where educators fell short in providing the support and encouragement I needed. Those experiences inspired me to create the most empowering and supportive courses in the field.

I DON'T WANT TO WASTE MY MONEY

I DON'T HAVE THE TIME

We understand the challenges of a busy schedule, which is why our flexible online course lets you learn at your own pace with no time restraints. You can work at your own pace, at a time that suits you best.

I DON'T WANT TO FAIL

Failure is one of the greatest opportunities for growth. Yes, you heard that right—fail! Fail repeatedly and fail quickly. The faster you fail, the faster you learn, and the faster you learn, the quicker you'll succeed.

Some of my biggest business achievements came on the heels of my biggest mistakes and lessons. So, give yourself the permission to fail! Fear of failure will only hold you back from the success you're capable of achieving.

I DON'T KNOW HOW TO ADVERTISE

Don't worry—I've been through it as well. It may feel overwhelming, but it doesn't have to be!

In your bonus online Social Media Course, we'll guide you through each step, making it easy to highlight your work and attract the right clients. You'll move from thinking, "I don't know where to start," to feeling, "I can't believe how far I've come!"
